EVENT SPONSOR – Insurance industry professionals and suppliers recognize the value of sponsoring NAPIA events. Sponsors can meet face-to-face with key decision-makers from current and prospective customers firms. Sponsors are announced in all pre-event notices along with their weblink, and are listed in the printed event program, the association newsletter (the “NAPIA Bulletin”) and NAPIA website. A sign is prominently displayed at the sponsored function and a personalized e-mail broadcast is sent out for each sponsor to all NAPIA members before and after the event. A complimentary registration for the morning sessions (includes breakfast and breaks) is provided, along with a tabletop display.

EXHIBITOR – Similar to an event sponsor, exhibitors obtain excellent exposure by meeting face-to-face with members and other insurance professionals who attend NAPIA events. Exhibits remain on display throughout the term of an event (for example, three days at the Annual Meeting and two days at the Mid-Year Meeting), and are located in a high-traffic area that is also used for continental breakfasts and coffee breaks. Exhibitors are announced in the printed event program and in the NAPIA Bulletin. A complimentary registration for the morning sessions (includes breakfast and breaks) is provided to each exhibitor.
