

NATIONAL ASSOCIATION OF PUBLIC INSURANCE ADJUSTERS

VENDOR DIRECTORY APPLICATION

The National Association of Public Insurance Adjusters is offering an exclusive opportunity for non-public adjuster individuals and firms serving NAPIA members. For only \$150, information on services provided and contact details will be accessible to more than 700 of the country's top public adjusters in the new NAPIA Vendor Directory.

NAPIA was established to bring together firms throughout the nation for the greater good of the public adjusting profession. Its members are held to the highest standard of professional conduct and ethics. Most public adjusters are licensed in multiple states, so they handle claims in all parts of the country. The Vendor Directory will help NAPIA adjusters find local professionals and tradespeople often needed to adjust a claim. It will also offer an additional tool for adjusters and those that work with them to connect.

If you have worked with a NAPIA member and would like to be listed in the Vendor Directory, please complete and submit the application form below. Be sure to include the names of members you served.
